

Making a Difference.....

Lucy Hornbeck Bless the Children Fund

The Lucy Hornbeck Bless the Children Fund was created by Debra Watson to honor the memory of her dear friend Lucy. Although Lucy and her husband never had children, Lucy surrounded herself with them by becoming a teacher. The endowment provides funding for youth who might not be able to afford the fees, to attend church camp. A church must make application on behalf of the youth.

No preference is given to any particular denomination or church.

Contact us to learn how to create a legacy in memory of your loved one.
