

# *Making a Difference.....*

## *Hazel A., Dennis, and Kassie Reesor Music Fund*

*Kassie Reesor had a special interest in making sure any child who wanted to learn to play a musical instrument had that opportunity. She created a fund that supports school band and orchestra programs with an emphasis on purchasing instruments, music, and other classroom supplies. Kassie wanted to honor her mother and nephew, who also shared her love of music, by including them in the fund name.*
