The Harrison County Community Foundation (HCCF) is committed to providing support to nonprofit organizations that are serving our community during this time of crisis.

None of us have experienced this before. Timelines and priorities are ever shifting and that makes it difficult to plan. As a result, we know we must be flexible. We have streamlined our grantmaking process for emergencies related to the current crisis.

We have created the **Harrison County Community Foundation (HCCF) COVID-19 Relief Fund** to help nonprofits in our community. You can HELP!

The HCCF COVID-19 Relief Fund will provide resources to our nonprofit organizations serving Harrison County residents as they address immediate and long-term needs. Every dollar received will be used to provide assistance.

If you would like to join us in helping meet the need, you are invited to make a gift to the HCCF COVID-19 Relief Fund. Gifts may be made online at hccfindiana.org or by mailing a check to HCCF, P.O. Box 279, Corydon, IN 47112. Make checks payable to HCCF with "COVID-19 Relief Fund" noted.

Our office is closed; however, staff is working remotely. If you have questions, staff can be reached by email at staff@hccfindiana.org or by phone at 812-738-6668 to access voicemail. We will get back with you as quickly as possible.
